DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Calder (Registration No. 27,424) on August 29, 2005. The application has been amended as follows:

In the title:

Replace "Apparatus and Method for Image Recognition" with --Apparatus and Method for Recognizing an Object and Determining its Position and Shape--

In the claims:

In claim 7, line 7, replace "plurality" with --image--

In claim 11, line 6, after "storing a" insert --plurality of learning-local-segments provided by dividing a learning image into the plurality of learning-local-segments, the--

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: the essential difference from the prior art is repeating the steps of selecting a local-segment from the plurality of local segments in the input image, estimating a position of the object from the coordinates of

the local-segment and coordinates of the learning-local-segment, providing the estimated position with a score if the estimated position is not previously estimated, and adding a predetermined value to the score if the estimated position is previously estimated until the object is determined to be present at the estimated position where the score is greater than a predetermined number. These features in combination with the other elements of the claim and the base claim are not disclosed or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
